

# CONNECTED CHEF ™

## SMART CUTTING BOARD

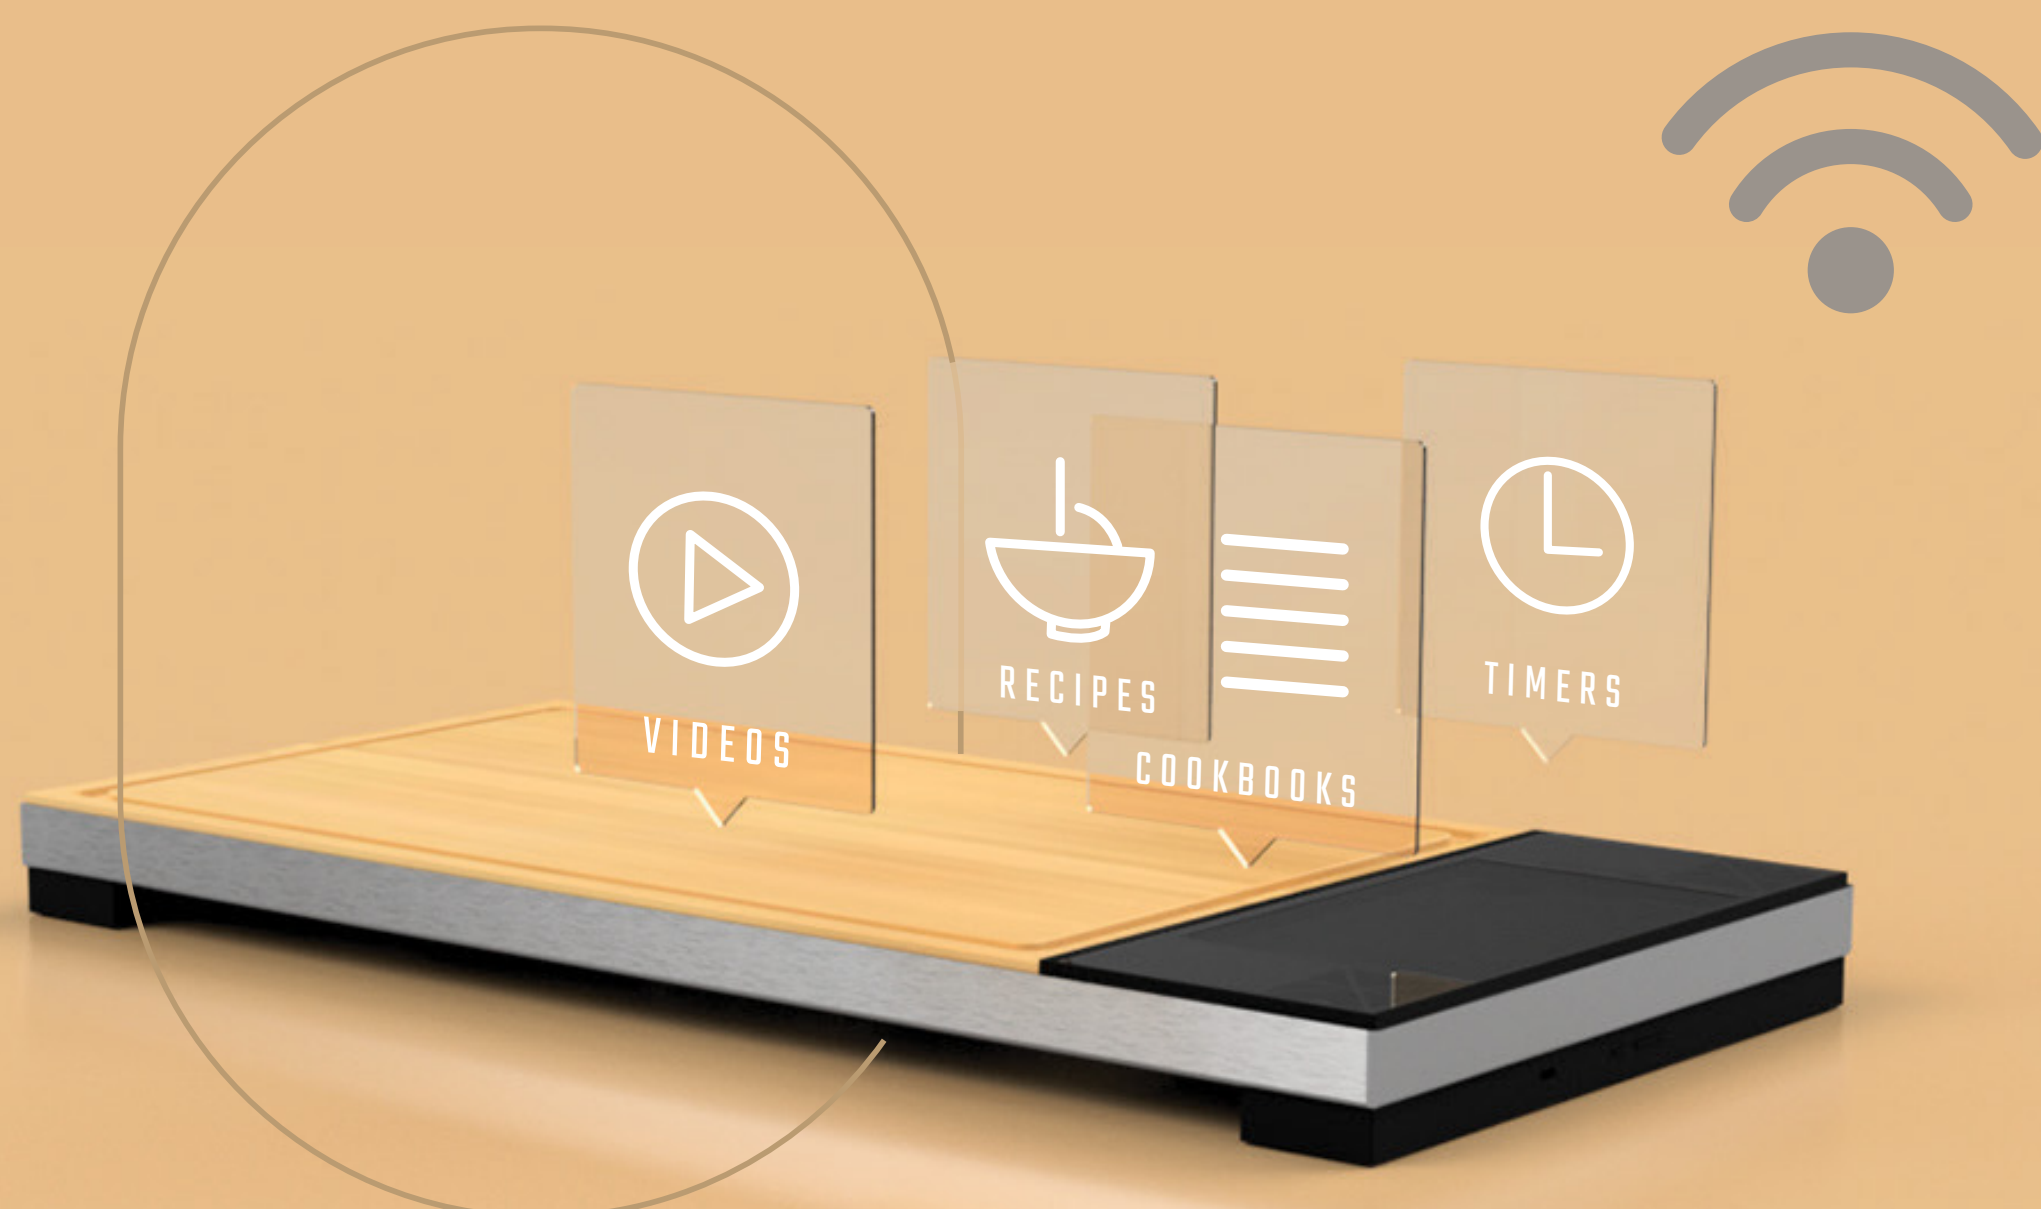

No more costly spills on your expensive phone or tablet.  
Designed for easy clean up. Water and splash resistant.

Access and save content from over 19 million cooking video channels as well as hundreds of Kitchen and Recipe websites.

Connect, access and control various Bluetooth kitchen devices directly from the Connected Chef™ dynamic 8" touchscreen display.

# CONNECT YOUR KITCHEN

## COOKBOOKS, CLASSES AND RECIPES

With over 19 million cooking channels on Youtube and hundreds of kitchen and recipe apps now more popular than ever, the ability to save, store and access these digital libraries and cooking resources has become part of the next generation of smart homes.

## BLUETOOTH KITCHEN ACCESSORIES

Connect, access and control Bluetooth kitchen accessories directly from the CONNECTED CHEF™ dynamic touchscreen display.

# DESIGNED FOR EASY CLEAN UP

## **WATER AND SPLASH RESISTANT GLASS**

You no longer need to use your phone or tablet with dirty or wet hands to search for your favorite recipe. The **CONNECTED CHEF™** is designed to be splash resistant.

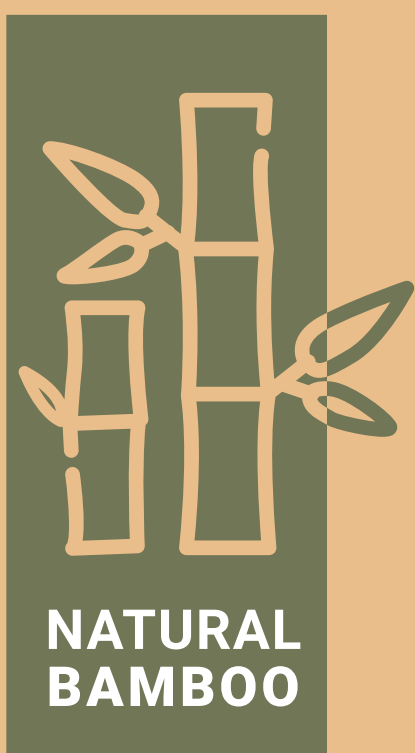

## **REMOVABLE CUTTING BOARD**

Simple, slide-out design for cutting board clean up. The bamboo cutting board slides out for easy hand washing and drying.

# NATURAL BAMBOO

We have chosen bamboo for our cutting boards as bamboo is more resistant to bacterial growth, is a sustainable and renewable resource, and is 100% biodegradable.

**SOLID CONSTRUCTION**

**DRAINAGE CHANNEL**

**PRE-SEASONED**

**BACTERIAL RESISTANT**
